RARE AND EXCLUSIVE

---

*We are proud that we stock some of the most exclusive spirits in the world here, at the Globe Inn, including some of the first whisky produced at Annandale Distillery - just down the road.*

Man O' Sword Bourbon Cask 2014 Cask Strength ~ Single Cask-Single Malt £25.23 p/25ml

Man O' Words Bourbon Cask 2014 Cask Strength ~ Single Cask Single Malt £25.23 p/25ml

*These stunning malts are from Annandale Distilleries the first year of production after a 12-million pound refurbishment brought back to life this 1836 distillery. Reopening in 2014 after a 100 years since Johnny Walker closed the site in the early 1900s Annandale's first releases of their peated and unpeated expressions have been met with high industry praise and been awarded gold medals for quality. Very limited stock.*

*Then let us toast John Barley* Brora 1982 (bottled 2008), re-fill sherry cask, Connoisseurs Choice, 40% abv £53.00 p/25ml  
*The Brora distillery was built in 1819 by the Marquess of Stafford. Between May 1969 and July 1973, Brora produced a heavily peated whisky to supply for blending; this was done to cover a shortage of Islay whisky caused by a drought in that region. Most of the whisky produced as Brora after 1973 is in the lightly peated Highland style. In early 1983, production at Brora was stopped and the distillery was mothballed.*

Bladnoch Talia Port Pipe Finish 25yo, 48.4% abv £24.95 p/25ml  
*The distillery was founded by John and Thomas McClelland in 1817 and closed its doors in 1949, reopening a decade later. More recent times have been turbulent with numerous ownership changes but in 2015 Australian entrepreneur David Prior took over and released this 25 year old in 2017.*

Glenallachie 1989 29yo Sherry Butt 60%abv £31.50 p/25ml  
*Glenallachie is a malt whisky distillery on Speyside at Aberlour founded in 1967. It has mainly produced whisky for blends for Chivas but have now released their first ever SCSMs. This 1989 -vintage was matured in refill sherry-butts.*

Ron Millonario OX Peruvian rum £12.99 p/25ml  
*The History of Peru spans 4 millennia, extending back through several stages of cultural development but little is known of its distillation history. In 1933 landowner Don Rolando sent his eldest son Augusto to study chemical engineering at Cambridge University. In the summer of 1938, a ship destined for Peru left London, carrying the precious cylinder mill machinery for the sugar and for the distillation a Scottish column still. Ron Millonario Distillery was founded in 1904 and uses a 5-tier solera system to age their rums for over 30 years*

Hine Antique XO Cognac £12.85 p/25ml  
*This Premier Cru Grande Champagne Cognac has been aged a minimum of 10 years. Hine Cognac is named after its proprietor Thomas Hine, an Englishman from Dorset, England. Following his arrest during the French Revolution, Thomas married a young French maiden, whose father owned a cognac house in Jarnac. Hine took the company to new heights, and eventually renamed it Thomas Hine & C°. in 1817, and remains the only cognac house to have a royal warrant from Queen Elizabeth II.*
